

Hérons Glen Mens Golf Association

Dec 9, 2025 Membership Meeting Minutes

President Bob Agate opened the meeting:

1. Bob Agate reviewed fee/prize pool distribution for MGA play days where the game includes net and gross payouts. Based on membership input, MGA events which payout net and gross prize money, the playing fee will be \$13 in order to support a reasonable payout structure.
2. Bob Agate announced that Shoot-Out sign up sheets now available in Pro Shop
3. Bob Agate encouraged members to follow the Rules of Golf on MGA playdays – specifically mentioning that members should hole all putts and play the ball as it lies (unless preferred lies is announced prior to play)
4. JB Belknap, guest speaker, discussed:
 - a. Permitting issues with #17 hole bulkhead project (specially the need for a variance to allow more of the lake perimeter to be stabilized with structure)- timing for completion remains unclear.
 - b. Driving Room Restroom project is still in permitting stage, but reasonable confidence that project will be completed in H1 2026.
 - c. Dry conditions in SW Florida is putting a strain on water availability. In the Herons Glen case, due to the use of effluent water to water the golf course, golf course irrigation is not expected, at this point, to be limited.

Submitted,

Paul Chipman

Secretary
