

HERONS GLEN MEN'S GOLF ASSOCIATION GENERAL MEETING JANUARY 10, 2023

The meeting was called to order by President Tom Braunscheidel at 12:45pm. Tom introduced our new Executive Chef, Steve Mayberry, and guest speaker, J.B. Belknap, General Manager of the HGRD.

J.B.'s update was wide-ranging, covering many of the bond issue items and their progress, or lack thereof. Those items/areas discussed were the dining room and bar area renovations. The storage building and driving range rest room projects being relinquished by Stultz – HGRD's project manager. The condition and damage level of the clubhouse roof is being evaluated, as 25% of the roof must be declared damaged before an entire new roof would be forthcoming. Renovation of the multi-use path will take place, with coordination by the HGHOA, from Mystic Way to Kayla Lane. FEMA has been approached to help defray some of the \$250K expense incurred for tree/debris removal. The fact that Herons Glen is a "Rec. District" and open to the public may assist in our pursuit of funds. Ron Garl provided a tree replacement plan that didn't meet with the HGRD Board's approval. That project will be moved to "in-house". J.B. accepted all questions from the audience, then closed.

New members were introduced to the group.

The HGMGA officer Nominations Committee of Gary Pasche and Walt Westfall were announced to the membership. Any member interested in placing their name in nomination for President, Vice-President, or Treasurer were asked to approach Gary or Walt.

There is the intention to set up a Can (Int'l)/Am golf tournament next year. Anyone with ideas was invited to bring them to the attention of Gene Dumont, Jack Birecree, or Bob Agate.

Jack Birecree updated the Adopt-A-Hole program's efforts. In November the program sanded 4500 divots and 600 ball marks were repaired. In December, about 3600 divots were addressed while 800 ball marks were attended to. Please do your part in keeping the course in excellent shape.
