

**HERONS GLEN MEN'S GOLF ASSOCIATION GENERAL MEMBERSHIP MEETING
JANUARY 16, 2024**

The meeting was called to order at 1pm by President Jack Birecree. Jack reported that the membership in the HGMGA has reached 200 paid members. The members were thanked for joining and reminded that their dues help pay for events such as today's beer/pizza meeting.

Membership Chair, Bill Paris introduced the most recent new members. They are: John Kovach, Keith George, Brett Sauerwein, Michael Higgins, Tim Wilkerson, and Glenn Holmes.

The captains for the upcoming Historic v. Outback event were announced. Those gentlemen are Gary Pasche (Historic) and Wayne Heard (Outback). Sign up for this "sell-out event" will commence shortly in the Pro Shop.

The winners of the various flights in the weather-shortened President's Cup were recognized.

The Two Ball tournament will resume next week. Jack reminded everyone that any team that progresses through the rounds of the Two Ball will automatically be signed up for the next round. If you are not participating in the next round of the Two Ball event for any reason, you must sign up for the alternate game on Chelsea. Due to various factors, only one round will be needed for "Shootout" qualification. Any member interested can still sign up in the Pro Shop.

HGRD General Manager, JB Belknap, gave updates on several bond projects and golf related projects as well. JB then embarked on a Q&A from members in attendance. Mike Loppnow, our assistant golf pro was acknowledged for all the help he provides in setting up and helping to administer our MGA events. HG Head Golf Professional, Bruce Harris, confirmed that the "Course Condition Hotline" would be updated by 6:30 each day.

The 50/50 drawing was held with two prizes being awarded. The \$90 prize went to new member Glenn Holmes, while the \$25 drawing was won by Dave McDonald.

With no further business the meeting was adjourned at 1:42 pm

Respectfully submitted,

Dan Lyons, Secretary
HGMGA
